

MEMORANDUM FOR: Chief, Contact Division, OO

11 January 1954

SUBJECT : Request for Writings of Nicholas POPPE

1. A perusal of the files on Dr. POPPE revealed that he would be willing to supply studies on a variety of subjects on Mongolia. This Division is interested in obtaining studies on the present political structure of Mongolia, and Pan-Mongolism as fostered by the USSR and Japan in the past and the direction it would probably take in the future.
2. Our files also indicate that, at one time, Dr. POPPE wrote a psychological study entitled Mentality of the Mongolians.
3. It is therefore requested that Dr. POPPE be contacted to obtain the material mentioned in the preceding paragraphs.
